

	PROJECTS	Treatment Location	Primary Beneficiaries	Type of Funding Request	Funding Source
<b>Community Collaboration</b>					
1	Establish a framework for Metro Fire staff and staff of other stakeholder agencies to collaborate on implementing the plan (i.e., form agency-to-agency organization, to foster resource sharing, contract specifications, etc.) (Preparedness)	None	Metro Fire, CalFire, County Parks, CAF&WS, St Pks. SMUD, more	Staffing	Collaborators, Landowners
2	Add the CWPP to the Amador/Eldorado Cal Fire Unit Fire Plan. (Preparedness)	None	Metro Fire, CALFIRE	none needed	none needed
3	Conduct joint training with cooperating agencies				
a	Foster the relationship between law enforcement and Metro Fire to jointly address evacuation routes and procedures (Response)	None	Metro Fire, Sheriff's Department, Rancho Cordova, Citrus Heights Police Departments	none needed	none needed
b	Conduct joint prescribed burns to bolster awareness of wildland fire behavior and response needs (Response)	Prairie City State Park, County Parks	Metro Fire, St Pks, County Parks, Sac City FD, Roseville FD, Folsom FD, Cosumnes FD, Wilton VFD, Latrobe FD	none needed	none needed
4	Work with citizen-based response organizations (i.e., to supplement law enforcement and fire department efforts. Encourage the linkage between crime prevention and fuel reduction near homes. (Preparedness and Response)	None	Neighborhood Watch, Community Emergency Response Team (CERT))	Staffing	Volunteers, Interns, Grants
5	Encourage the formation of a countywide Fire Safe Council. This entity could serve as an "umbrella" organization under which smaller, community-based firesafe councils would be formed when and where there is interest. The countywide firesafe council would assist in organizing and finding funding for the community based firesafe councils. (Preparedness)	None	Metro Fire, County Parks, CalFire, homeowners, landowners	Staffing	Volunteers, Interns, Grants
6	Facilitate the formation of an agency-to-agency organization to foster resource sharing, establish common best practices and consistent media messages (Preparedness)	None	Metro Fire, County Parks, CalFire, homeowners, landowners	Staffing	Volunteers, Interns
7	Continue to hold community meetings such as home ignition zone workshops, to educate residents about their fire environment and measures they can take to minimize their risk and prepare for a wildfire. (Prevention)	None	Metro Fire, homeowners, landowners	Staffing	Volunteers, Interns

	PROJECTS	Treatment Location	Primary Beneficiaries	Type of Funding Request	Funding Source
8	Seek grant funding to fund projects, and involve stakeholders to maximize community support for projects when prioritizing projects (Prevention)	None	Metro Fire, homeowners, landowners	Staffing	Volunteers, Interns
9	Inform citizens of details of this CWPP through a Community Education Program. Topics would include provisions for evacuation, shelter in place, safety zones, fuels reduction, and the neighborhood provisions for fire safety and prevention and public safety. The education program will include a District library of fire safety, fire-wise landscaping, defensible space, first aid, and other literature for distribution to citizens upon request. (Prevention)	None	Metro Fire, homeowners, landowners	Staffing	Volunteers, Interns
<b>Fuel Reduction</b>					
1	Gather more information about existing fire conditions and hazards in the WUI in order to better direct and prioritize fuel reduction projects				
a	Install remote automatic weather stations (RAWs) to determine fire conditions and conditions requiring red flag warnings. (Preparedness and Response)	Small isolated locations	Metro Fire	Equipment	NRCS EQUIP, Corporate sponsors
b	Train Metro Fire staff how to use and interpret RAW data. (Preparedness and Response)	None	Metro Fire	Training	NRCS EQUIP, Corporate sponros
c	Establish and adopt a mechanism to notify stakeholders when a red flag warning is issued. (Response)	None	Metro Fire	Staffing	Volunteers, Interns (SJSU Meterology Dept, Desert Research Institute-UNR),
d	Evaluate and, as warranted, revise dispatch protocol for red flag warnings. (Response)	None	Metro Fire	Staffing	Volunteers, Interns (SJSU Meterology Dept, Desert Research Institute-UNR),
e	Hire an intern to map the WUI fire history to identify prominent ignition. (Preparedness)	None	Metro Fire, Couity Parks	Staffing	Volunteers, Interns
f.	Develop a fire prevention plan for areas of frequent ignitions, such as behind homes on the American River Parkway (Prevention)	None	County Parks, Metro Fire	Staffing, Contract	Collaborators, Landowners, Grants
2	Expand staffing to conduct fuel management and augment response	Targeted locations in wildlands	Metro Fire, County Parks	Staffing, Contractors	FEMA Grants, Collaborators, Landowners, Private participation, District Budget

	PROJECTS	Treatment Location	Primary Beneficiaries	Type of Funding Request	Funding Source
a	Reestablish Metro Fire work crews to augment fire response and to treat vegetation. (Prevention and Response)	Targeted locations in wildlands	Metro Fire	Staffing	Grant to fund District staff, Collaborators, Volunteers, Interns
3	Use established governmental work programs such as the Sacramento Regional Conservation Corp to conduct fuel reduction projects and to bolster response capabilities. (Preparation and Response)	Targeted locations in wildlands	Metro Fire	Staffing	staff, Collaborators, Volunteers, Interns
4	Use community groups, such as Neighborhood Watch groups, CERT volunteers, to help with advisory inspections and to educate homeowners about defensible space and how it reduces their exposure to wildfire damage. (Prevention)	Within 100-ft of structures	Metro Fire, Homeowners		Volunteers
5	Where feasible, use California Department of Correction and Rehabilitation (CDCR) work crews to treat vegetation at a project site). (Prevention)	Targeted locations in wildlands	Metro Fire, Landowners	Staffing	Reserves, Recruits, County Parks collaboration
6	Develop pre-fire plans for communities within the WUI. (Prevention and Preparedness)				
a	Expand pre-fire plans to include water supply, alternative access points, structure footprints, communications protocols, channels (Response)	None	Metro Fire	Staffing, Contract	Grant to fund District staff, Collaborators, Volunteers, Interns
b	Develop pre-attack plans, to include, access, sensitive areas for dozer operators (Response)	Throughout the WUI	Metro Fire, Landowners	Staffing	Interns, Reserves, Recruits, County Parks collaboration
7	Support targeted compatible vegetation management in the ARP that reduces fire hazards through funding, cooperative operations. (Prevention)				
a	This can include using CDCR crews to reduce fuel loading in heavy vegetation. Seek grant funding for this work	American River Parkway, within 100-ft, strategic firebreaks, by equestrian trails	County Parks	Staffing, Contract	Collaborators, Landowners
8	Encourage the Great America Cleanup volunteer program to focus on removing or pruning vegetation in the area behind residences in the ARP, especially residences south of the river. (Prevention and Preparedness)	Parkway, within 100-ft, strategic firebreaks, by equestrian trails			
9	Collaborate with California State Parks, County Parks on prescribed burns at to increase Metro Fire's familiarity with the use of this technique. (Prevention and Response)	Prairie City State Park, County Parks			
10	Coordinate with CalTrans and County Public Works on roadside treatments (Preparedness)	Roadsides	CalTrans, Sac County Pub Wrks	Staffing, Contractors	FEMA Grants, Collaborators, Landowners, Private participation, District Budget

	PROJECTS	Treatment Location	Primary Beneficiaries	Type of Funding	Funding Source
11	Treat areas of high fire hazard (as by flame length) near structures, as in fuelbreaks on periphery of communities (Preparedness)	specific areas of flame length within 100-ft of structures	Landowners	Staffing, Contractors	FEMA Grants, Collaborators, Landowners, Private participation, District Budget
<b>Treatment of Structural Ignitability</b>					
1	Develop a means to enforce defensible space on private property in the WUI , as required by State law (Preparedness)	Within 100-ft of structures	Metro Fire	Staffing of Authorized Inspectors	FEMA Grants, District Budget
2	Gather more information about existing structural conditions and risks in the WUI in order to better direct and prioritize projects addressing structural ignitability (Preparedness)				
a	Seek funding to support staff collection of structural data (Preparedness)	None	Metro Fire	Staffing, Contract	Grant to fund District staff, Collaborators, Recruits, Reserves, Volunteers, Interns
3	Revise the fire codes for the area within the WUI. The code would identify defensible space and construction requirements for different site conditions, formalize inspection schedules, and identify the responsibility for fulfilling the defensible space requirements. Revisions to the code could be implemented over several years, beginning with the areas of highest risk. (Prevention)	Within 100-ft of structures	Metro Fire, homeowners	Staffing	None needed
4	Hire additional staff to conduct defensible space inspections. (Prevention )	Within 100-ft of structures	Metro Fire	Staffing	Volunteers, Interns, Student Conservation Assn
5	As grant funding becomes available, replace wood shake roofs with non-combustible roofing in the areas most at risk. (Prevention)	Gold Run, Rancho Murieta	Metro Fire, homeowners	Hand labor, designs, equipment, materials	FEMA Grants, Corporate donations, private participation
6	As grant funding becomes available, retrofit the structural components, building materials, and landscaping of older Metro Fire stations as part of a demonstration project. (Prevention)	Station 33, other Metro Fire Stations	Metro Fire	Hand labor, designs, equipment, materials	FEMA Grants, Corporate donations, BSA
